1. RESOLUTION "D" - Exchange

1-206-X

CS 27021, Pcl. 15X, TX, 15X, 15, Item 1

The Department of Transportation has requested an exchange of properties with the City of Wakefield for property required to provide MDOT a uniform right of way along US-2. The property MDOT is conveying is located in the City of Wakefield, Gogebic County, Michigan, and contains 1.23 acres, more or less. The property the City of Wakefield is conveying to MDOT contains 19,760 square feet (or .45 acres, more or less). This exchange of property, for property required for ROW, is considered to be in the best interest of the Department and, therefore, the consideration for this exchange is mutual benefits.

Mutual Benefits

In accordance with MDOT's policies and procedures and subject to concurrence by the Federal Highway Administration, the preparation and execution of the appropriate documents approved by the Attorney General, and compliance with all legal and fiscal requirements, the Director recommends for approval by the State Administrative Board the items on this agenda.

The approval by the State Administrative Board of these contracts does not constitute the award of same. The award of contracts shall be made at the discretion of the Director-Department of Transportation when the aforementioned requirements have been met. Subject to exercise of that discretion, I approve the contracts described in this agenda and authorize their award by the responsible management staff of MDOT to the extent authorized by, and in accordance with, the December 14, 1983 resolution of the State Transportation Commission and the Director's delegation memorandum of January 16, 2001

Respectfully submitted,

Gregory J. Rosine,
Director
